INSTRUCTIONS

This section of the application should be completed by the student. For the first 4 questions write as much or as little as necessary to sufficiently answer the questions. Please, try not to exceed 250 words. For the 5th question, please keep your essay between 250-500 words.

What movie have you enjoyed most in the past year and why?

Describe an academic challenge you have faced in the past two years. Please, relate your reflection on your learning experience.

Describe new skills or knowledge you tried out during the development of a particular project.

Learning skills can be demonstrated across all subject areas and all homework tasks. The six skills are: responsibility, organization, independent work, collaboration, initiative, and self-regulation. Give us a specific example of a learning situation in which your learning skills were developed.
