What is School & Sports?

School & Sports is the **Liceo Europeo's** summer camp for children aged 1 to 12 (2014-2024), running from June 22 to July 24.

A summer in Madrid full of adventures: sports, activities adapted to each age group, and total immersion in English.

Learn, play, and discover as if traveling to another world... without leaving the city!

activities

Get ready to enjoy activities such as swimming, soccer, dance, mini tennis, paddle tennis, basketball, skating, mini golf, archery, adventure and psychomotor activities, traditional games, combined with outdoor games, bouncy castles, trampolines, electric buggies, artistic and multisensory workshops, crafts, etc.

*Activities subject to conditions and weather permitting.

Schedule

Activities begin at 9 a.m. and end at 5 p.m. To accommodate parents' schedules, the school remains open between 7:30 a.m. and 5:30 p.m.

Vehicle access

*Between 8:30 a.m. and 9:30 a.m. and 4:00 p.m. and 5:30 p.m., traffic on Camino del Sur will be one-way towards Conde de los Gaitanes.

Families arriving between 9:15 a.m. and 4:15 p.m. should go to the school office to drop off or pick up their children. Parent access will be limited, and access to classrooms will not be permitted. Teachers will accompany students when they are dropped off and picked up.

Pedestrian access

Families using the pedestrian access points will enter through the gate on Camino del Sur and must leave the school grounds via the path leading to the paddle tennis courts.

The pedestrian access in the El Encinar area (roundabout at Paseo de los Parques and Vereda del Palacio) will also remain open between 8:00 a.m. and 9:15 a.m. and between 4:30 p.m. and 5:30 p.m. for families arriving on foot. Please avoid crowding to ensure a smooth start to the day.

Ages 1 to 5

Before 9:00 a.m., preschool children (born between 2024 and 2020) will be gathered in the school dining room, according to their age/group. The same applies if you arrive to pick them up after 5:00 p.m.

Identification

Upon arrival, we will provide all students with an identification bracelet bearing their name, group, allergies, and, if they are registered for the shuttle service, the shuttle number. Please keep the bracelet on until the end of the summer course.

Early Departures

To ensure proper organization and compliance with internal safety measures, early departures must be communicated in advance by email to secretaria@liceo-europeo.edu.es, indicating the student's name, surname, grade, and group.

In the case of Infant and Primary students, it will be essential to specify the persons authorized to pick them up, in order to guarantee safety at all times.

Transport Routes

Families must notify the Secretariat of any occasional or continued absence from the route service. If no notification is given, it will be assumed that the student will use the transport service as normal. The route selection is formalized during the camp registration process.

Nursing Service

The school has a permanent nursing service, responsible for attending to any health needs throughout the day.

If a student needs to receive medication or scheduled treatment, families must complete the corresponding form, available at the school office or downloadable for email submission to secretaria@liceo-europeo.edu.es. This procedure is mandatory in order to administer any medication during camp hours.

Pick up your welcome pack!

Before camp

From Monday, June 1 to Friday, June 19, families can stop by the European School Secretariat to pick up their Welcome Pack, Monday through Thursday, from 10:00 a.m. to 4:00 p.m.

During camp

It will be provided to all participants who have not picked it up at the Secretariat, from 10:00 a.m. to 4:00 p.m.

Special Events

Family Day

When?

Every Thursday afternoon, there will be a Family Day for School & Sports families, open to children aged 3 and up, along with their immediate family members.

Schedule

Family Day will be held from 5:15 p.m. to 6:30 p.m. During this time, attendees can enjoy Aqua Splash as many times as their assigned time slot allows, depending on the number of users present that day.

Registration

Participation in this event requires prior registration using a form that will be sent at the beginning of each week of camp and will be available from 3:30 p.m. Each attendee must complete their own form; guests are not allowed to register additional family members on their behalf.

*It is important to remember that signing up for Family Day does not automatically mean you are registered for the sleepover, nor does registering for the sleepover guarantee a place for Family Day. These are separate activities and each requires its own form. We recommend that registration for both activities does not coincide during the same week, so that students can fully enjoy each one.
