

## High School Diploma

### ONLINE Program

A **FLEXIBLE, PREMIUM ONLINE EDUCATION** DESIGNED FOR GLOBAL STUDENTS.

The **High School Diploma Online Program** is a fully virtual **four-year academic experience (Grades 9-12)** that allows students from around the world to earn an **American High School Diploma** for its rigor, innovation, and preparation for university studies.

This program is **designed for students who**, due to personal, athletic, artistic or other circumstances, **cannot attend classes regularly**. Through a flexible and personalized learning model, students experience an education that promotes **critical thinking, research skills**, and **global awareness**; essential tools for success in higher education and beyond.

#### 100% Online

**Duration:** 7 years (Grades 6-12)

**Language:** English

(Spanish as a second language in Grades 6-10)

**Start:** September 2026

**Ages:** 11-18

### WHY CHOOSE OUR ONLINE PROGRAM

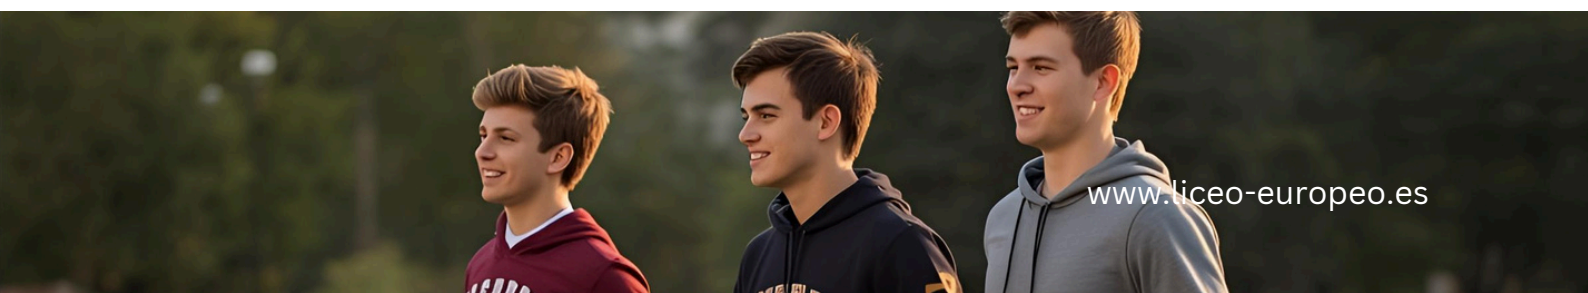

**Total Flexibility:** Learn without fixed schedules; progress at your own pace.

**Premium Teaching:** Qualified American teachers and interactive digital learning.

**Global Community:** Connect with international students through forums, activities, and projects.

**Personal Mentor:** Continuous academic support, guidance, and college counseling.

**Advanced Digital Platform:** Live classes, recordings, library access, virtual labs, and collaborative workspaces.

## STUDENT SUPPORT & COMMUNITY

- **Personal mentor** for academic and emotional support
- **College counseling** for future university planning
- **Global** student activities, clubs, and **online events**
- **Online meetings with teachers** once a week

## TEACHING METHODOLOGY

Our model blends **American rigor** with **innovative learning**:

- Project-based learning
- Research and critical thinking
- Interdisciplinary projects
- Communication & collaboration
- Ethical and global awareness

Students become independent, reflective, globally minded learners.
